“ *Tracy was a very dear friend whom I worked with several years ago. The things that made Tracy stand out were her outgoing and always positive attitude and most of all her smile. Tracy always had the biggest smile and from photos the family has shared she still had that big smile even in her final days. Tracy will always have a special place in my heart along with her family (Richard, Megan, Jesse, Mrs. Martha, Cindy and April). Prayers for you all through this tough time. RIP Tracy!*
