“ Dear family, I'm Clayton and Brandon Church's Nana. I've been at their house when Cole has been there. He was just a kid you loved from the first time you met him. My heart broke when Ginger called to tell me of Cole's accident. I am so so sorry. Linda Church

“ *I had the pleasure of working with Cole on the Westin Duluth job. We had many conversations about work and sometimes life. Cole and I were on the same level from the start. Work hard. Do the right thing. Anything can be done. One of the most important things I remember from my time with him was if I ever asked him a question he didn't know the answer to, he would simply say "I'm gonna have to call my Pop's and get back to you" Cole cared deeply for his family and friends and always tried to do the right thing. In our job we are a family, we build a team. Cole instantly wanted to be on my team and I will forever be grateful for the conversations we had. Most people in this business meet up again on another job maybe in a year, sometimes more. He will be sorely missed. - Brian B*

“ We all love and will miss you more than words can ever describe . Our family will never be the same . You may not have been my brother in law yet on a piece of paper but you have always been my brother since day one . You loved your girls more than the world. I promise to help take care and watch over them . You were the best Uncle CoCo to Gunner and we will continue to share with him who you are as he grows up along with your two babies . I could write a book on how great of a man you were . Life won't be the same without you down here go give heaven some hell Cole Man.

Cole, we are all saddened by this loss. I only recently started working at Ferguson in Norcross and I have since been privileged to have met you, Karen and Tim. You had a genuine heart, and this was always evident to see. It is my deepest prayer that the good lord comforts the entire family. We are blessed with fond memories of you. Much Love.
