“ *I so loved 'Vera Jane' as she was so affectionately known to those of us who were Janice's age. It was a term of endearment and she knew we held her in al manner of respect. She always smiled in spite of the sadness she had in her life. I remember when Conrad passed. Janice and I graduated together and we're friends. Vera Jane worked at the school and was always a positive presence to all students. My mom went to school with her. I am so sad that she has passed during these difficult days and I won't be able to attend her service. Please know that my prayers and thoughts will be with you and I will visit her gravesite at some time hopefully in the near future.*

“ *I'll always remember her for her red lipstick. I could count on an AVON order from her when my daughter was in her kindergarten class. Not too long ago I saw her at Hill Haven and she still had that beautiful smile.*
