“ I live across the lake from Val . my friends and family always ask about him when they come over since he frequently swam the lake in the evenings. I find myself looking across the lake at his home and know that I will never see him swimming again. we had many long conversations when I would run into him on the lake. I will always think of him swimming around the lake. he will be missed..... Patrick Gilbert

“ I worked alongside Val for many years on several projects at Doraville and Detroit. He was a good man and loyal man that would assist or stick up for you regardless how deep things were. He had a sense of humor that was a ‘acquired taste’. We worked well in ‘glass area’ and had fun on the road. One of a kind guy....Charley King

Thank you so much for your kind words, Charley. My father was so dedicated to GM and had so much pride in his work and would speak fondly of those he worked with. I am sure you were spoken of! He truly loved being apart of 'American made'.

Growing up in Prague, Vlada and I did many things together, leaving me with many fond memories. After emigrating to North America in late sixties, we stayed in touch. My last call on SKYPE was on Saturday, June 22, 2024. We talked for about 50 minutes about his worsening health. I wished him all the best for his upcoming surgery on Monday and wanted to hear from him as soon as possible. The call never came....

To Vladka, Andrejka, Paja and Jana: Our thoughts are with you for the loss of a husband, dad, grandpa and brother.

To Vlada: Rest in peace my life long friend. No more medical interventions and pain. You are in God's hands now.
