I remember seeing Grady when I was a small child. I knew his father, Henry Baker through my father, Carl Baker. Henry and Carl grew up as brothers under loving parents, Bone and Georgia Ramey Baker. Henry and Carl maintained a close relationship until Carl's death in 1981. If my dad were alive today, I know he would want to express his heartfelt sympathies to Henry's family. In the absence of my Dad, I would like to extend condolences to the family. May God's Promise of Strength, Peace and Hope guide you through this very difficult time.
